# Satish Rathod

## FRONT END DEVELOPER

To utilize my skills and expertise as a Front End Developer to create visually appealing and user-friendly interfaces that enhance the overall user experience. I aim to contribute to a dynamic team where I can apply my creative problem-solving abilities and collaborate with others to deliver high-quality web applications

## EXPERIENCE

**06/02/20201-18/10/2021**

**Agile Group of Companies,** *(Internship)*

During my internship as a Front End Developer, I gained practical experience in developing user interfaces for web applications. Collaborating closely with a team of experienced developers and designers, I honed my skills in HTML, CSS, Bootstrap , jQuery and JavaScript.

**1/12/2021-Present**

**Myriad Solutionz,** *(Front End Developer)*

Experienced Front End Developer with 1.5 years of expertise in HTML, CSS, and JavaScript. Proficient in modern front-end frameworks like React. Skilled in translating designs into pixel-perfect web interfaces, optimizing performance, and ensuring cross-browser compatibility. Strong problem-solving and collaboration abilities. Passionate about delivering exceptional user experiences.
